

# ANNUAL 2020

# REPORT

---

# A New World

In the Spring of 2020, many parts of our communities closed temporarily or scaled back their hours and services. Our residents needed Heart Havens just as much as ever; we are their home so do we not shut down in a state of emergency. We are so proud of our Direct Service Professionals (DSPs) for giving our residents a sense of normalcy and stability in uncertain times when they could not go to work, day programs or visits with family. Our DSPs, staff, resident families, volunteers and donors all were vital for Heart Havens to navigate this New World.

During 2020, the mission of Heart Havens remained the same: to empower adults with a developmental disability to live and thrive in their community. When the community as a whole moved to more virtual connections, Heart Havens residents did too.

At Heart Havens, our residents rode virtual roller coasters, took painting classes online, and visited with friends and family on iPads purchased for each home. Heart Havens is proud that through sacrifices of our DSPs, hard decisions and the generosity of our supporters that Heart Havens was able to navigate this New World in a way that kept our dedicated staff and vulnerable residents safe from illness.

# From the CEO

From unprecedented to new normal, there are many words and phrases that have been used to describe the year of 2020. But did you know that the number 20 has biblical meaning? In the bible, it is often connected to a perfect period of waiting, labor or suffering that is compared to a trial and is rewarded. We all suffered and had different trials in 2020.

As a world, we were forced to pause, readjust and reflect. Through pain and suffering, the pause gave us time to re-evaluate our lives. What, under normal circumstances would be breaking news, was mentioned in passing as individuals and as a society we felt the world shift, forcing us to look at situations anew. And, our normal state of competing priorities of things and activities were pulled out from under us, leaving us with time to focus on the basics like health and relationships.

Emerging from this period, we are all fundamentally changed in indelible ways. We have formed stronger bonds with some people, made time for self-care, slowed the pace of life, and taken time to appreciate the journey.

While we will resume some of our old and incorporate some of our new routines, we will shed others.

**AS A WORLD, WE WERE FORCED TO PAUSE, READJUST AND REFLECT.**

One last thing about the number 20, when it comes to love, the meaning of 2020 signifies faith and trust in relationships. My 2021 wish for you is that you discover the love, faith, and trust you need to find joyfulness, harmony, and contentment.

# Going Virtual

## Online classes, video calls and everything virtual....

Heart Havens staff empowered residents to connect to the community in new ways during 2020. Staying connected and creating opportunities for our residents to engage was a priority during the pandemic. With residents spending more time at home, staff were creative in finding virtual tours, supplying residents with craft supplies, puzzles and activities that could be enjoyed at home.

4

### SPIRIT WEEK

IN APRIL, RESIDENTS AND STAFF CELEBRATED SPIRIT WEEK WITH DRESS UP DAYS LIKE BEACH DAY AND CRAZY HAIR DAY.

### SCAVENGER HUNT

THE LYNCHBURG HOME CREATED A SCAVENGER HUNT TO GET OUT OF THE HOME SAFELY WITH A FUN ACTIVITY THEY COULD DO FROM THEIR VAN OR OUTDOORS.

### TECHNOLOGY

HEART HAVENS PURCHASED AN IPAD FOR EACH HOME. THERE WERE SO MANY SMILES FROM THE VIRTUAL FACE TO FACE CONTACTS.

# Financial Report

Though Heart Havens is primarily funded by Medicaid, we depend on donations to help cover what Medicaid doesn't pay for to ensure that the people we support are engaged as full and active members of their communities. This includes groceries for healthy, homemade meals, internet and phone plans, household supplies, vehicle expenses so our residents can participate in their community, recreation activities, home maintenance and repair, and incidental medical costs not covered by other insurance.

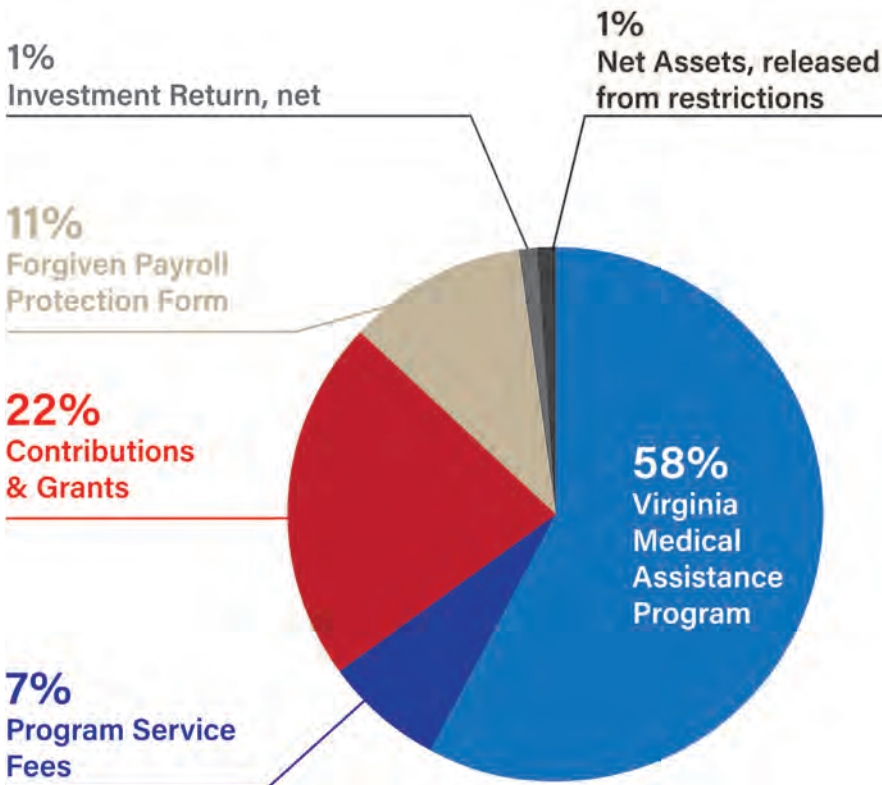

As good stewards of your generous gifts, each year Heart Havens provides for an independent audit with Pilc & Moseley, LLC, Certified Public Accountants. Copies of our 2018 Audit and Form 990 are available on our website ([www.hearthavens.org](http://www.hearthavens.org)).

# Success

Heart Havens is different because we are guided by the values of choice, respect, inclusion, empowerment and safety. We could tell you about the things we accomplished this year, but we think the joy on our residents' faces tell the story of this year the best.

Heart Havens could not achieve our mission without you. The support of our community: donors, volunteers, resident families, board members and local businesses empower our residents, enable connections, and create an environment for our residents to thrive.
