## For your newsletter or e-blast:

What makes your life full and rich? Is it your involvement in church? Your job? Is it the friends you go to the movies with, or the buddies who come over to watch the football game? Could it even be the small choices you make every day, such as what to have for breakfast or what to watch on TV in the evening? All of these things together are what fill our lives with joy and keep us engaged in our communities.

Adults with a developmental disability want a life just like yours: a life where they are part of a community, get to experience the many joys the world has to offer, and make their own choices. That's where Heart Havens comes in.

Heart Havens is a Virginia Conference Advance Special mission that provides residential support to adults with a developmental disability, but it's so much more than just providing a house. Heart Havens empowers people to discover what it is they love and then pursue it. No matter what the goal is, Heart Havens is all about helping the people they support find a way to make their dreams a reality.

Soon, our congregation will lift up Heart Havens Month, a time to both support the Heart Havens mission with our gifts and celebrate the gifts that people with a developmental disability bring to the church. Gifts we collect for Heart Havens allow them to continue providing a vibrant lifestyle for the people they support. To learn more about Heart Havens and the Heart Havens homes around the Conference, please visit [www.hearthavens.org](http://www.hearthavens.org).
