Heart Havens strives to create *A New World* - where people with a developmental disability are empowered to feel accomplished, give back, be creative, explore their community, make friends, celebrate and have fun. At Heart Havens, we believe people with a disability should have a life that is a lot like yours.

Heart Havens is a Virginia Conference Advance Special mission that provides residential support to adults with a developmental disability. Heart Havens' mission, to empower adults with a developmental disability to live and thrive in their community, can only be achieved in combination with others like you. By supporting Heart Havens, you help create a world that honors the true value and worth of people with a disability.

Soon, our congregation will lift up Heart Havens Month, a time to both support the Heart Havens mission with our gifts and celebrate the gifts that people with a developmental disability bring to the church. Donations we collect for Heart Havens allow them to continue providing a vibrant lifestyle for the people they support. To learn more about Heart Havens and the Heart Havens homes around the Conference, please visit www.hearthavens.org.
