

Farmer's Market Saturdays

Saturdays are for local farmers markets! Chris, Thomas and Charles visited the Dorey Park farmers market and browsed the local vendors which included local produce, jewelry, handmade products and food.

Chris fell in love with a dog and the owner offered him the chance to pet the dog anytime throughout the day. He said that he loved it and looks forward to going back to see the people and the dogs.

Charles commented that he enjoyed the farmers market and looks forward to coming back. Thomas said he enjoyed the whole day and he will go back anytime, while giving it a thumbs up.

Hawaii Themed Night

The Post Oak home held a Hawaii themed night which included a themed movie and dancing to Michael Jackson. The night was complete with lei necklaces, grass skirts and colorful tropical themed cups. The ladies said that they had fun and especially liked listening and dancing to Michael Jackson songs.

Heart Havens is thrilled to announce the launch of our brand-new website! We have been working diligently to create a site that better reflects our mission of empowering adults with developmental disabilities and providing a more user-friendly experience for all our visitors.

We value your input and would greatly appreciate your feedback on the new website.

Here are a few things we'd love for you to explore:

- Homepage: Check out the new layout and design.
- About Us: Learn more about our mission, vision, and impact. Meet the team and check out some videos.
- Live Here: Find detailed information about the services we provide.
- Work Here: See the benefits of joining the Heart Havens team and our current job openings.
- Give Here: Discover volunteer opportunities and ways to support Heart Havens.

Please visit the [new site](#) and let us know what you think.

How You Can Help

Every gift, no matter the size or type helps us provide homes and 24-hour support to our residents, empowering them to live and thrive in their communities.

Some recent maintenance related needs include: roof repair, crawl space encapsulation and beginning the transition to tankless water heaters for better temperature control.
