Heart Havens is excited to continue *Flourishing* in 2024 as we spread our message of empowerment for adults with disabilities.

Heart Havens does not receive apportionments. Heart Havens is a Virginia Conference Advance Special mission and our goal is to empower adults with a developmental disability to live and thrive in their community. By supporting Heart Havens, you help create a community that honors the true value and worth of people with a disability.

Soon, our congregation will lift up Heart Havens Month, a time to both support the Heart Havens mission with our gifts and celebrate the gifts that people with a developmental disability bring to the church. Donations we collect for Heart Havens will support them opening a new home for people with disabilities. To learn more about Heart Havens and the Heart Havens homes around the Conference, please visit www.hearthavens.org.
